Re: Ford Motor Company Strike Update

Ford Motor Company has been in negotiations with UAW since July 2023.

Effective 9/29/23 the UAW strike has impacted Ford Chicago assembly plant. As a result, DTS line U625 was impacted, and some employees accepted a voluntary layoff.

Effective 10/6/23 dayshift DTS hourly employees assigned to U625 on voluntary layoff are to return to work as scheduled on Monday 10/9/2023.

Please ensure your contact information is updated in ADP. If you're unable to update your contact information in ADP. Please complete personal data status change form and return it to HR.
